

Together We Grow...

Its FALL! You made it through a Texas summer!!

Our social committee has been working furiously to provide everyone a time to reconnect with your neighbors and connect. Oct 12th! See the last page for all the details.

For some unique fun, attend the VENARDOS CIRCUS in the back lot of Moontower Saloon. It ends tomorrow night. <https://www.venardoscircus.com/austintx>

Are you excited about Halloween? Have you attended Bat City Scaregrounds? Its a fully immersive 15 acre entertainment complex dedicated to Halloween. YIKES!
<https://www.batcityscaregrounds.com/>

Maybe you just want to pick some pumpkins for decorating? You can visit Barton Hill Farms, Sweet Berry Farms, Sweet Eats Fruit Farm, or attend the Dripping Springs Pumpkin Festival. The fun is everywhere!

Who is going to be the cool house on Halloween this year? Do we mean best decorated? Maybe. But the kids would argue... it's who gives the best CANDY!!!!

Times are pushing petty theft...

Cars are being broken in repeatedly all around the area. Obviously, locking your vehicle doors is a no-brainer along with making sure there is nothing enticing visible from the windows. Best option is to park in your garage. Stay Vigilant! Criminals are like a dog that finds a piece of hot dog on the trail... They will check that area endlessly and daily without resolve. The criminal will come back and start roaming the neighborhood and maybe even start checking doors.

Blast your grass and soil with Nitrogen. After that harsh summer, feed your grass and replenish your soil. You can find a 40lb bag of 46-0-0 Nitrogen at Callahans Feed Store for about \$40.

Be mindful for your neighbors. Sidewalks allow everyone to enjoy the beauty of our community. Trim plants or bushes that lean into the walkspace. Pushing a stroller is difficult trying to avoid branches and the like. Additionally, check your tree branches. They should be at least 8' above the sidewalk. That's a city ordinance. Takes just a few minutes to clean up. Thank you in advance for the help!

Repairs on the squirrel hollow fence begin this month. Reminder to clear your fence line of all debris, rocks, trim plants/trees, and remove anything attached so they can access it properly.

BRODIE FEST

October 22, 2022

1pm at Brodie Springs Park

Bounce house

Brats, beers, pretzels

Pretzel eating contest

Turkey legs

Stein Racing

Kids activities
