

## Together We Grow...

**Happy New Year to Brodie Springs!**

**May it be filled with New Adventures and Good Fortune!!**

*Lets start those adventures now...*

Best way to start the year? Hope about Free Week? It's an Austin classic. Who wouldn't love a week of free shows at all the best Red River Cultural District Venues.

Want to try a new taco trailer? That's the quickest way to punch your Local Austinite card. Mr. Chingon is off nutty brown rd (back way to dripping springs from the hood) and rumors are that its pretty darn good. And what's not to love about tacos?

Maybe you fill up your tummy then head over to the Palmer Events Center for the annual City Wide Vintage Weekend Sale? Who doesn't need some Guess? jeans or OP corduroy short shorts? Jan 14th & 15th.

But after the Christmas freeze, maybe you need some ideas? The Austin home and garden show will be running Jan 6-12 at the Austin Convention Center. Sadly if you did lose some plants or need to trim out all the freeze-burnt branches and limbs, you can place it all out on Jan 23rd. That is our next scheduled Large Brush Collection Pickup. Just bundle and set out curbside. Easy Smeasy.

***What's happened or happening in the hood?***

The social committee crushed it again with a fantastic holiday movie night. What a great way to bring everyone together! Those ladies are good!!

Our big annual HOA meeting will be held in a few weeks at the Bethany Lutheran Church. A separate email with the exact date will be coming in the next few days. We are waiting on our reservation confirmation.

At the meeting, there will be board position voting. Introductions to our new ACC committee members as well as our newly formed Community Welcome Committee (They will be our official greeters for new residents). Updates and discussions on all the work done in 2022 and what's in store for 2023. If you do want to be on a committee or the board, there is still time to add your name.
