

Together We Grow...

Wishing you the best year ever!

Starting off your 2022 bucket list...

New sushi and ramen restaurant in Sunset Valley at Bluefin Sushi and Ramen. Boy oh Boy! As a reminder, dont eat sushi on Mondays. With Fedex not delivering Sunday's, the fish has to be a couple days old on Monday LOL.

Have you visited Birdie's Neighborhood Wine Bar? The food is simple, impressive and their version of soft serve ice cream is becoming an icon. It reopens Jan 11th after their holiday break.

What about trying to Swing Dance? The Fed has been home to the Austin Swing Syndicate since 1999. Their Thursday night classes are some of the most popular and well attended in the country! Held at the Mansion, 2312 San Gabriel St.

Fence line trimming has begun...

Work has begun trimming all trees and bushes along the interior fence line that surrounds brodie springs cave. A 6' swatch will be cleared to avoid fence damage from overgrowth and roots.
